TECH SUPPORT

Michael Fairchild

Thank you to this amazing cast, band and crew for all of their hard work and dedication. This was a group effort from beginning to end, which embodied the lyrics from our title song!

May we all get to grow up in a red, white, and blue little town, May we all get to see those fields of green turn gold. May we all do a little better than the first time, Learn a little somethin' from the worst times. Get a little stronger from the hurt times. May we all!
